Upcoming Infectious Disease Activities

- **October 2–6, 2019**
  - ID Week
  - Washington, DC, USA
  - https://idweek.org/

- **November 20–24, 2019**
  - ASTMH
  - American Society of Tropical Medicine and Hygiene
  - 68th Annual Meeting
  - National Harbor, MD, USA
  - https://www.astmh.org/

- **February 20–23, 2020**
  - International Society for Infectious Diseases
  - Kuala Lumpur, Malaysia
  - https://www.isid.org/

- **March 8–11, 2020**
  - Conference on Retroviruses and Opportunistic Infections
  - Boston, MA, USA
  - https://www.croiconference.org/

- **June 18–22, 2020**
  - American Society for Microbiology
  - Chicago, IL, USA
  - https://www.asm.org/

Announcements

Email announcements to EIDEditor (eideditor@cdc.gov). Include the event’s date, location, sponsoring organization, and a website. Some events may appear only on EID’s website, depending on their dates.

Correction: Vol. 18, No. 1

An odds ratio and 95% CI were incorrect in Identifying Risk Factors for Shiga Toxin–producing *Escherichia coli* by Payment Information (H. Wilking et al.). The correct data for salad bar purchases were odds ratio 5.83, 95% CI 1.42–23.88. The article has been corrected online (https://wwwnc.cdc.gov/eid/article/18/1/11-1044_article).

Correction: Vol. 25, No. 6

Author Olga Ivanov should have also been listed as affiliated with Sechenov University, Moscow, Russia, in Multirecombinant Enterovirus A71 Subgenogroup C1 Isolates Associated with Neurologic Disease, France, 2016–2017 (S. Tomba Ngangas et al.). The article has been corrected online (https://wwwnc.cdc.gov/eid/article/25/6/18-1460_article).
